# CONSTITUTION.

## PREAMBLE.

IT is universally admitted, that the combined operations of the MECHANIC POWERS have been the source of those useful inventions and scientific arts which have given to polished society its wealth, conveniences, respectability, and defence; and which have ameliorated the condition of its citizens. Rational, then, is the inference, that the association of those who conduct these powers in their operations, will prove highly beneficial, in promoting mutual good offices and fellowship; in assisting the necessitous, encouraging the ingenious, and in rewarding fidelity. To effect these desirable ends, the present associates agree to be governed, as a society, by the following CONSTITUTION:

## ARTICLE I.

### NAME AND QUALIFICATIONS.

SEC. 1. The name of this Association, as specified in the Act of Incorporation, shall be "THE MASSACHUSETTS CHARITABLE MECHANIC ASSOCIATION."

If a Mechanic, he shall be a master workman; if a Manufacturer, he shall be either a managing proprietor, or a superintendent of a manufactory; if an Artist, he shall be in management of business on his own account; except as provided in Art. 2, Sec. 3.

SEC. 3. Every person to become a member must be twenty-one years of age, of good moral character, be approved by the Government, receive two thirds of the votes of the members present at a regular meeting of the Association, pay to the Secretary such admission fees as the regulations may require, and within ninety days subscribe to the Constitution.

SEC. 4. The officers of this Association shall be a President, Vice President, Treasurer, twelve Trustees, and a Secretary; and they shall constitute and be denominated "The Government of the Massachusetts Charitable Mechanic Association."

## ARTICLE II.

### CONDITIONS OF MEMBERSHIP.

From 21 to 35 years of age, fifteen dollars.

From 35 to 50 years of age, twenty dollars.

Fifty years and upwards, twenty-five dollars.

Each member shall be subject to quarter-yearly assessments of fifty cents.

SEC. 2. Any person possessing suitable qualifications may become a life member, by paying forty dollars. Any member who has been such for thirty years uninterruptedly, and has paid all assessments, shall be considered a life member. Any member who has been such for twenty years, and has paid all assessments, may become a life member on the payment of ten dollars. Any member who has been such for ten years, and has paid all assessments, may become a life member on the payment of twenty dollars. Any member who has paid all assessments may become a life member by paying thirty dollars. Life members shall be exempt from the quarterly assessments, but shall be subject to all other rules of the Association.

SEC. 3. Such persons of distinction, patrons of the arts, and friends to mechanics, as the Association shall, from time to time, agree upon, may be admitted honorary members by a vote of two thirds of the members present at any regular meeting ; but they shall not be entitled to any of the pecuniary, elective, or controlling privileges of the Association.

## ARTICLE III.

SEC. 1. The Meetings of the Association shall be held on the first Wednesday of January, April, July, and October, at such time and place, in Boston, as the President shall direct. SEC. 2. Every third year from 1821 there shall be a Public Festival, in October, unless the Association at their meeting in January previous otherwise decide on which occasion an Address shall be pronounced by a member. The expenses of such Festivals shall be defrayed by an assessment on the members; *provided, nevertheless*, that if any member be out of the State or be prevented by sickness from attending, or shall leave a notice in writing with the Secretary, fifteen days at least before the celebration of such Festival, that it is not his intention to partake of the same, he shall be excused from paying the assessment which shall be laid therefor.

SEC. 3. The regular meetings of the Government shall be held monthly, and at such time and place as they may direct.

## ARTICLE IV.

### ELECTION OF OFFICERS.

SEC. 1. The election of officers shall be at the first meeting in January, annually, by written votes, a majority making a choice. The President, Vice President, Treasurer, and Secretary, shall be voted for separately; the Trustees may all be named on one ticket. In case the Association should fail to elect all or either of its officers on the aforesaid day, the meeting may be adjourned from time to time, until such election is completed; provided, however, that not more than ten days shall intervene from one adjournment to another.

without a warrant from the Committee of Finance. He shall exhibit his accounts annually, for their inspection, and shall give them a bond with sufficient surety, for the faithful discharge of his trust.

SEC. 4. The Secretary shall keep a fair and correct journal of the proceedings of the Association and Government. He shall notify each candidate of his admission, within ten days thereafter. He shall notify each member of his dues to the Association. He shall issue notifications for all meetings of the Association and Government. He shall furnish the chairman of each committee with the vote of his appointment, and attend the meetings of committees when required. He shall furnish the Committee of Relief with the name of every person discharged from the Association. He shall exhibit annually, to the Committee of Finance, a statement of his receipts and payments, and submit his accounts to their inspection. He shall be exempt from assessments or periodical dues, and receive such compensation for his services as shall be designated by the Committee of Finance.

## ARTICLE VI.

The Association shall have a common seal, which shall be in the care of the Secretary, and which shall be affixed to all its official documents and certificates which require the signature of the President.

## ARTICLE VII.

## GOVERNMENT.

It shall be the duty of the Government to guard the interest, respectability, and prosperity of the Association. They shall superintend its prudential concerns, and pursue such measures as, in their opinion, will best promote them. They may correspond with other Associations of Mechanics and Manufacturers, on such subjects as are calculated to promote the general objects of this institution, and shall submit such correspondence to the Association, for the information of its members. They shall have power to remit arrearages to unfortunate members, and to grant such sums to indigent members, their widows, or orphans, as they shall think proper, not exceeding twenty dollars in any one instance. They shall report to the Association, at every quarterly meeting, all remittances and donations made by them during the recess. They shall examine and approve the record of their last meeting, previous to reading the same at the quarterly meeting of the Association. They shall, annually, at their first meeting after the election of officers, appoint a Committee of Finance, consisting of the President, (who shall be chairman *ex officio*,) the Vice President, and three Trustees, the latter to be chosen by written votes.

## ARTICLE VIII.

## COMMITTEES.

SEC. 1. A Committee of Relief shall be chosen by nomination annually, on the day for and after the

choice of officers, whose duty it shall be to seek out and relieve such indigent members of the Association, or their families, as may be proper objects of charity, and to receive and act on all petitions for relief. They shall report their doings quarterly to the Secretary, that he may lay them before the Government. They shall make an annual report in detail to the Government, previous to the election of officers, which report shall not be recorded.

SEC. 2. The Committee of Finance shall superintend the expenditures of the Association; they shall advise with the Treasurer respecting the investment of funds, and shall have the general oversight of the fiscal concerns of the Association. They shall examine the records and accounts of the Treasurer and Secretary, at the close of the year, and report a statement of the property of the Association, previous to the election of officers.

## ARTICLE IX.

### GENERAL REGULATIONS.

SEC. 1. Beneficence, and the promotion of the industrial Arts, are the main objects of this Association, and to effect these, such appropriations shall be made as may be consistent with its funds.

SEC. 2. On the death of a member, the Treasurer shall immediately present the sum of forty dollars to his widow, family, or legal representative; but when there is no widow, family, nor legal representative, then the money shall be appropriated to defray his

funeral expenses ; first, in all cases, deducting therefrom his dues to the Association.

SEC. 3. As it is compatible with the act of incorporation, and the good of society, the Association may, from time to time, when the state of its finances will warrant, grant such premiums for superior workmanship in the respective arts, as the Government shall deem expedient.

SEC. 4. Any member who shall suffer his dues to the Association to amount to six dollars, having been duly notified thereof by the Secretary, shall be liable to forfeit his membership, and it shall be the duty of the Government to report such members to the Association for discharge, unless, in their judgment, there be circumstances to excuse such delinquency. A member having been discharged for delinquency, shall not be again admitted without having first paid his past dues, and been balloted for by the Association.

SEC. 5. To reward industry, correct habits, and fidelity, the Association decrees, that when an apprentice of a member, on arriving at twenty-one years of age, shall produce a certificate from the person with whom he hath served his apprenticeship, that he has behaved with fidelity and attention, and has not violated any agreement made by him, it shall be the duty of the Government to direct that he be furnished with a certificate, sealed with the seal of the Association, signed by the President and Vice-President, and attested by the Secretary.

Which Certificate shall be in the following terms :

In testimony whereof, we have caused the seal of our Association to be attached to these presents, and signed the same this \_\_\_\_\_ day of \_\_\_\_\_, in the year of our Lord \_\_\_\_\_ and in the \_\_\_\_\_ year of our Institution.

Attest,

Secretary.

\_\_\_\_\_, President.

\_\_\_\_\_, Vice-President.

SEC. 6. The Government shall have power at any meeting, by a unanimous vote of the members present, to expel any member who shall be adjudged to be guilty of ungentlemanlike or dishonorable conduct; but the member so expelled may appeal to the Association at any time within one year from such expulsion.

SEC. 7. It shall be considered dishonorable and ungentlemanly conduct for any member of this Association to employ the apprentice of another person, who shall have left his service without his consent, unless the consent of the Government of the Association that such apprentice may be so employed shall have been obtained. But no such subject shall be brought before the Government until the person aggrieved shall have applied to the offending member, and the latter shall have refused, or for an unreasonable length of time neglected, to give proper satisfaction.

SEC. 8. Every person becoming a member shall be

entitled to an authenticated Certificate of his membership, and a copy of the Constitution.

SEC. 9. Whenever a vacancy shall occur in the Government, it shall be their duty to call a special meeting of the Association to fill the same.

SEC. 10. There shall be an appropriate STANDARD for the Association, to be borne in general procession.

## ARTICLE X.

### RULES OF ORDER.

SEC. 1. At all meetings of the Association or Government, the members shall be called to order within thirty minutes after the time named in the notification for the meeting, provided a quorum is present; to form which, nine members shall be necessary in the Government, and twenty-one in the Association.

SEC. 2. In all questions discussed in the Association, the person speaking shall stand uncovered, and address the presiding officer; he shall not be interrupted while speaking, except to be called to order. These rules shall also be observed in the Government, except that the member may be seated while speaking.

SEC. 3. No member shall speak more than twice to the same question, except for the purpose of explanation; unless he obtains permission from the members present.

SEC. 4. The presiding officer shall have power, and it shall be his duty, to regulate the deliberative proceedings of the Association and Government, agreeably to legislative usage.

SEC. 5. No subject foreign to the purposes of the Association shall be introduced at any of its meetings for business.

## ARTICLE XI.

SEC. 1. The foregoing Constitution may be amended or repealed whenever three quarters of the number present at any meeting shall so determine; but no such alteration shall be made unless the subject shall have been proposed at a previous meeting, and, in the mean time, referred to a committee and the same specified on the notification for the meeting at which it is to be considered.

SEC. 2. All former rules and regulations of the Association inconsistent with this Constitution are hereby repealed.

THE APPRENTICES' LIBRARY was instituted by the Board of Government of the Massachusetts Charitable Mechanic Association, Feb. 22, 1820. The present Association of Apprentices was formed June 19, 1828; and the Library committed to their entire control in 1832, by the Mechanic Association, subject to the following

### PROVISOS.

I. That the Library shall be solely for the use of Apprentices of members of the Massachusetts Charitable Mechanic Association, and other Apprentices of Mechanics and Manufacturers of Boston and vicinity.

II. That the members of the Massachusetts Charitable Mechanic Association shall have the right of visiting the Library, examining the Books, and of taking them for a reasonable period free of expense.

III. That the Government of the Massachusetts Charitable Mechanic Association, or a committee from them, shall retain the right of visiting and inquiring into the state of the Library from time to time; that they may witness its progress, and report its growth and situation to the Parent Association.

IV. That in case the Library shall be enjoyed by any others than the persons mentioned in the first proviso, or that they shall grossly abuse the privileges here granted, — the Government of the Massachusetts Charitable Mechanic Association shall have the right to resume the management of the Library, and all the improvements and additions shall revert to them, to be wholly under their control and disposal as heretofore.
